Navigating Symplicity and the Mentorship Program

- Login to CSM and select the Mentorship Program tab
- You will be able to view all current mentors signed up with the program through basic and/or detailed searches
- Once you have narrowed down your search, you can click on the name of a mentor for more information
- Once you have located an alumni mentor of interest, click the button Interested, and you can then submit an introductory email (see below)
- Please use professionalism and proper business etiquette when drafting the email (remember to use spell check!)
- CSM will send you an automated email confirmation that your message was sent
- You are expected to be contacted by your mentor in a timely manner. If you suspect your wait time is excessive, contact the Office of Student Affairs at law.studentaffairs@nyu.edu.
