INVITATION

PRE-VIS MOOT CONFERENCE IN VIENNA

CISG: 40 (+3) Years and Still Going Strong?

Date: Friday, 31 March 2023

Time: 11:00 - 16:15

Venue: Juridicum, University of Vienna, Schottenbastei 10-16, 1010 Vienna, Hörsaal U11

Fees: 50 €, registration required

As the CISG turned 40, it is worth looking into what issues are still generating discussions, since taking stock of its open issues is a prerequisite to be able to shape the CISG's future. This conference will tackle some of the most important issues, from the CISG's applicability in arbitration, to scope issues and more substantive issues. The conference will also analyse the CISG's relationship with other instruments, including instruments of so-called soft law.

Andrea Bjorklund

Franco Ferrari

Stefan Kröll

Paul Oberhammer
